Our data for 2023/2024

We are incredibly proud of our children's achievements again this year which compare very favourably with national figures. Well done to the children for all their hard work and the staff for supporting them to achieve these great results!

Phonics (Year 1)

At the end of Year 1 children's phonics knowledge is assessed through reading 40 words (some real and some 'alien' words). To meet the expected standard, they need to read at least 32 of these correctly.

	Granard mainstream	National (2024)
Percentage scoring 32+	94%	81%

Year 4 Multiplications Tables Check

At the end of Year 4, children are assessed on their multiplication knowledge. They are given 25 random multiplication questions. They have 6 seconds to answer each question**.**

	Granard mainstream 25/25	National 25/25
Percentage scoring 25/25	77%	29% (2024)
Average point score	23.7	20.2 (2023)

KS2 SATS (Year 6)

At the end of Year 6 children are tested on their reading, grammar punctuation and spelling and maths. They are also assessed in their writing. We aim towards children getting the 'Expected' level (EXS) or 'Greater Depth' (GD).
