

Granard Primary School and Cedar Base

"Growing together; Achieving together"

NEWSLETTER

MESSAGE FROM THE HEADTEACHER

Dear Parents and Carers,

This week has been a fun week with all our Sports Days taking place. Thank you to all the parents who came to support their children. They all seemed to really enjoy themselves!

We look forward to another fun week next week, with our trip to **West Wittering on Monday**. Children **MUST** arrive at school on time (**8.40 a.m.**) or they may run the risk of being left behind! Thank you.

A huge thank you goes to all the staff, parents and volunteers who supported our Summer Fair. Thank you to those who worked behind the scenes to prepare everything and to those of you who turned up on the day to join in the fun! We raised an impressive £1,833!

Last week, the mainstream children met their new teachers for September:

Class	Teacher
<i>Nursery Child</i>	Mrs Athill (Mon-Wed), Ms Rendell (Wed-Fri)
Reception Rosen	Miss Marsh (EY/KS1 Phase Leader)
<i>Year 1A McKee</i>	Ms Abdalla
<i>Year 2G Foreman</i>	Miss Greenwell
<i>Year 3M Murphy</i>	Miss Marshall Ash
<i>Year 4B Dahl</i>	Miss Beckford
<i>Year 5F Morpurgo</i>	Ms Folkes
<i>Year 5D Wilson</i>	Mr Dark
<i>Year 6B Rowling</i>	Miss Breeze (KS2 Phase Leader)

Some of our staff will sadly be leaving us at the end of this academic year. **Mrs Chapman**, who has been our music teacher at Granard for 27 years, will be retiring this summer. We are having a special assembly to celebrate her remarkable accomplishments on **Friday, 17th July at 9.30 a.m. Please let me know if you would like to join us.**

Miss Goodchild, one of our Base teachers, is moving on to a special school closer to where she is intending to move to. We wish her well in her new role.

Miss Ribeaux, one of our support staff who has worked across the mainstream school and Base, has a new job at another primary school, where she will be doing regular 'forest school' sessions. We wish her all the best as she takes on this exciting new role.

Next year, **Miss Smith** will continue to work with us at Granard one day a week, supporting us with our Apple Accessibility project, however, she will not be a class teacher as she is being seconded to work four days each week in other Wandsworth SEN Bases, rolling out the Accessibility project across the borough. I am sure that she will love this new challenge!

This week, we welcomed **Mr Hatton** as our new Site Manager. I am sure that you will see him around the school to say 'Hello' to.

Your child's end of year reports are being sent home with them today. Do speak to your child's class teacher if you have any questions.

We have important Coffee mornings planned during the first few days in September for parents to come in and meet their child's teachers and find out about our expectations for the new year (**see our 'Dates for your Diary' section**). Please put these dates in your diary!

We break up for the summer holidays on **Friday, 17th July at 1.30 p.m. (Base at 1.15 p.m.)**. I hope that you all have a relaxing and enjoyable break over the summer holidays and look forward to seeing your children back in school in September.

SAFEGUARDING SEGMENT

After School Care booking changes

To help to safeguard our children, we are changing our ASC booking system. Parents **MUST** book sessions in advance and will not be able to book online after 12 p.m. If there is an emergency and you have to book after this time, you must **call the school** and speak to one of our office staff, so that your child's class teacher can be informed and there is no confusion as to whether or not they are attending.

Thank you for your understanding.

GOVERNOR BLOG

Granard Achievements

Another school year has almost passed, and it has been an action-packed one for Granard Primary School. It is a pleasure, on behalf of the Governing Board, to reflect on everything our school community has achieved in a year filled with learning, creativity, opportunity and continued investment in our children's education and wellbeing.

Again this year staff, pupils and parents have had to contend with more building work, but I hope you will agree that it has been worthwhile, with our newly refurbished Westleigh Avenue wing finally being completed, creating more modern and attractive learning spaces for our pupils. Alongside this, the completion of the installation of new school windows has enhanced both the comfort and energy efficiency (and the look) of our buildings. Our dining hall has also benefited from sound absorption treatment, creating a calmer and more pleasant environment where children can enjoy lunch together and hear each other speak.

We are immensely proud of the recognition the school has received this year through several prestigious awards. We maintained our Flagship status in the Inclusion Quality Mark scheme, which reflects both our commitment to ensuring every child feels valued, supported and able to thrive and our mission to provide opportunities for integration between the mainstream school and the Base wherever possible. Receiving the Clean Air School Gold Badge is a reward for our efforts in promoting air quality, awareness, active travel and improving our environment. We were also delighted to be awarded the Primary Science Quality Mark, recognising our commitment to excellence in primary science education. The school is also at the forefront of Apple's schools project to enhance the use of technology across the borough.

Creativity has flourished across the school. Our talented young artists proudly exhibited their flag art at Putney Library, giving pupils the opportunity to showcase their creativity within the local community. The school's production of The Lion King was a true highlight of the year, demonstrating remarkable talent, confidence and teamwork both on stage and behind the scenes. Our brass band have also enriched school life, performing alongside other Wandsworth schools and inspiring pupils through live music and strengthening our valued links with the wider community.

The Year 6 trip to Blackland Farm with adventure, teamwork and personal development was enjoyed by everyone; while the upcoming visit to West Wittering is eagerly anticipated. A big thank you to the PTA, pupils, parents and governors for their contributions and fundraising efforts to make this happen. These trips help children build confidence and resilience and provide an opportunity to widen their life experience as well as creating lasting memories alongside their academic learning.

These achievements are only possible because of the collective efforts of our exceptional staff, supportive parents and carers, dedicated volunteers and, most importantly, our wonderful pupils. Every member of our school community plays an important role in making our school such a vibrant, inclusive and inspiring place to learn.

On behalf of the Governing Board, I would like to thank everyone who has contributed to another successful year. We wish our pupils and families a happy, restful summer break and look forward to another exciting year ahead, filled with new opportunities and continued success.

Malcolm Turner, **Chair of Governors**

Summer Adventures in Putney: Learning Beyond the Classroom This Summer

The summer holidays are a fantastic opportunity for children to continue learning without it feeling like school. Putney and the surrounding areas offer plenty of free and affordable activities that encourage creativity, physical activity and family time.

One of the easiest ways to combine learning and fun is by exploring Putney's green spaces. A nature walk through Putney Heath or along the River Thames can become a mini science lesson. Children can identify birds, collect leaves for art projects or simply enjoy being outdoors.

This summer, Positively Putney is running several free activities, including climbing wall sessions and skateboarding workshops suitable for children aged five and above. No booking is required, making them perfect for spontaneous family days out.

For the creative ones, Putney Exchange regularly hosts free family workshops throughout the summer holidays, including arts, crafts and storytelling sessions. Many activities are drop-in events, ideal for keeping children entertained without spending money.

If you're happy to travel a little further, London offers incredible free museums. Families can explore the Natural History Museum and discover dinosaurs and wildlife exhibits, or visit the Science Museum for hands-on interactive displays that inspire curiosity.

Another local gem is Fulham Palace, which regularly hosts family-friendly outdoor activities, gardens and seasonal events just a short walk from Putney.

Useful websites to bookmark:

- [Positively Putney Events](#)
- [Putney Exchange Family Events](#)
- [Wandsworth Council Family Activities](#)
- London Museum Family Events

Learning does not have to stop during the Summer holiday. Whether it's exploring nature, discovering museums or trying a new sport, these simple activities help children build confidence, curiosity and memorable experiences with their families.

Donna Moss, **Parent Governor**

SCHOOL UNIFORM

STITCH
Design

Flexibility in a Uniform World

IMPORTANT
SCHOOL UNIFORM ORDERING INFORMATION
PLEASE ORDER
BEFORE 31ST JULY
TO AVOID DISAPPOINTMENT!

Please note: This date applies to schools returning at the start of September.
Parents of schools with earlier return dates will need to order sooner.

Uniform

Please ensure that your child wears the correct uniform to school each day:

- Granard Royal blue sweatshirt (navy in Year 6) or cardigan
- Granard white polo shirt
- Grey plain skirt or pinafore dress or blue/white checked dress/playsuit (Summer option)
- Grey school trousers (no jogging bottoms or jeans)
- Black shoes (no heels or boots – plain black trainers may be worn)
- Black, grey or white socks
- Black, grey or blue tights
- Headscarves (if worn) must be plain dark blue or black
- Granard Jacket (not compulsory)
- Book Bag (for Nursery, Reception, Years 1 and 2)
- Rucksack (for Years 3, 4, 5 and 6)

P.E Kit

- Granard white t-shirt
- Black shorts or leggings
- Trainers
- Black or Royal blue jogging bottoms (with no branding)
- P.E Bag

Swimming Kit

- Towel
- Plain, black or navy, tightly fitted trunks or one-piece costume
- Swimming cap

If children have forgotten their swimming kit, they will be expected to use a spare kit supplied by the school.

Please make sure that all items of school uniform are clearly labelled with your child's name, not with sibling names. Clothing will be regularly checked for names.

4B DAHL

Year 4 Shine at the Wandsworth Music Festival

On Wednesday, 1st July, our Year 4 pupils proudly represented our school at the Wandsworth Music Festival, performing at Holy Trinity Church, Roehampton alongside children from primary schools across the borough. The festival celebrated the achievements of pupils taking part in the Whole Class Ensemble Teaching (WCET) programme.

Throughout the year, the children have shown great commitment in their weekly music lessons with Adam, our brass teacher. They have worked hard to learn their brass instruments and songs, and their confidence, teamwork and musical skills were on full display during this wonderful performance.

It was a fantastic opportunity for the children to perform as part of a larger ensemble, celebrating the joy of making music together with other young musicians from across Wandsworth. They performed brilliantly and were excellent ambassadors for our school.

After returning to school, the celebrations continued with a picnic in the glorious sunshine, where everyone enjoyed their packed lunches and reflected on what had been a memorable and successful day.

A huge thank you to all the parents, carers and family members who came along to support the children. Your encouragement and applause made the occasion even more special, and we are incredibly proud of every one of our Year 4 musicians.

Year 4 Life Skills – Food Preparation

This term, our Year 4 pupils have been developing important life skills in the kitchen by learning how to prepare food safely and confidently.

The children have practised using a vegetable peeler and a knife correctly, developing their cutting and peeling skills while following essential food hygiene and safety rules. They explored a range of kitchen equipment and learned about its purpose in food preparation.

As part of their learning, pupils discussed why some foods need to be prepared before eating or cooking, such as washing, peeling or chopping, and identified foods that are ready to eat without preparation. They also practised different cutting techniques, helping to improve their confidence, coordination and independence.

It has been wonderful to see the children working carefully, supporting one another, and taking pride in preparing ingredients safely. These practical experiences are helping them build valuable life skills that they can use both at school and at home.

RM ROSEN

Reception thoroughly enjoyed their school trip to Bocketts Farm! They fed goats, sheep and cows, went on a tractor and trailer ride, watched a pig race, played in the amazing playground and then finally met some smaller animals.

A lot of the children were nervous to stroke and feed the animals and many of them overcame their fears. We are so proud of them!

The children also met Madison the rabbit, Jupiter and Saturn the guinea pigs and William the hen!

Our farm leader, Kira, was incredible with the children and they all listened well to her and behaved impeccably. Kira said they were the best class ever and all deserved a farmer sticker!

As we were leaving, Frankie and Isla said 'This the best day ever!'

Thank you, Reception, for being so beautifully behaved and for making the last trip together extra special.

A huge thank you to Isla, Amelia and Hamza's Mums who helped keep us safe on the trip. Your help is very much appreciated

Reception had an amazing Sports Day!

2S FOREMAN

Year 2's Imax Trip – Our Beautiful Planet

On Monday, we visited the Imax to see the 3D film, 'Our Beautiful Planet'. The film was all about life in space. We took a look at what it was like to live on the International Space Station and the incredible view of the Earth from space. Maybe one day we might go and see the Earth from space for ourselves!

The film showed us how bright some countries are at night and how dark other countries are. This was one of the ways in which you could tell different countries apart.

The film also showed us that astronauts have to exercise in space as they can lose their muscles. We also learnt that you can grow up to 2 inches in space because there is no gravity!

We loved watching the film and wished we could have touched the stars in real life!

APPLE CLASS

Apple Class enjoyed running, jumping and throwing at Sports Day on Tuesday this week.

ASH CLASS

Ash Class participated in all the games on sports day. They tried their best and had fun. Well done everybody!

WILLOW CLASS

Willow class loved going to sports day! They tried so hard for each activity and did great listening!

Well done Willow Class!

Wandsworth Music – musical opportunities from September 2026!

Is your child currently learning an instrument as part of a whole class lesson?

Wandsworth Music are offering the opportunity for your child to continue learning an instrument in school with one of their expert tutors!

Sign up for small group and individual lessons next term using the [link here](#)! More details about the options below can be found on our website or by emailing info@wandsworthmusic.co.uk

Wandsworth Music Academy

The Wandsworth Music Academy is **a centre of musical excellence** in South London, providing high-quality music lessons and progression pathways for children and young people aged 5–21.

From the very beginning of instrumental and vocal learning young people are supported alongside their instrumental lessons to play and sing in ensembles, orchestras and bands through our bespoke ensemble development programme encompassing a variety of musical genres and traditions.

Our ensembles include; three Symphony Orchestras, three Jazz Orchestras, West African Djembe drumming, Pop and Rock Bands, Choirs, Steel Pans, Guitar Ensemble, Musical Theatre, Songwriting and multiple Chamber Music groups.

The Music Academy runs on **Saturdays 8am–2pm and Wednesdays 4.30–9pm** at Burntwood School and on **Tuesday 4.30pm–8.30pm** at West Hill Primary School

Interested in getting involved with Wandsworth Music Academy? Want to know more about what we have on offer?

Visit [Wandsworth Music Academy: High Quality Music Lessons in Wandsworth: Wandsworth Music](#) or email info@wandsworthmusic.co.uk!

Wandsworth Education Wellbeing Service Self-Care Summer Newsletter

Wandsworth Education Wellbeing Service work in schools to support children, young people and their families with their emotional wellbeing, offering 1-2-1 support, groups and workshops. This is our summer newsletter which provides information on activities & wellbeing events you can try over the summer.

Relationships & Connection:

Spending time with friends, family, pets and our community helps boost our wellbeing.

Emotional Wellbeing Support

Take a look at page 2 for self-care plans and mental health support helplines and websites.

Keeping active

Keeping active improves our mood. Find something that works for you whether it's walking, dancing, online classes or sports.

Creativity:

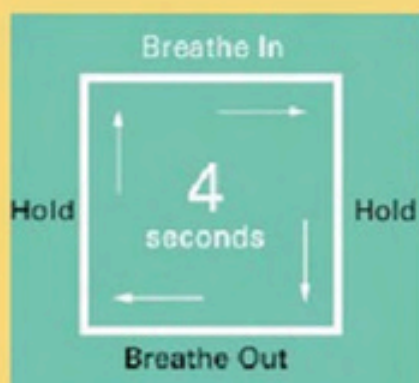

Finding ways to be creative helps you express yourself and be more present. Try drawing, writing or making music!

Relaxation

See below some relaxation strategies to try this summer. Click [here](#) for other relaxation ideas.

Fun and Entertainment

Look at page 3-4 for lots of free/low cost and FUN activities in Wandsworth!

Take a deep breath.
Look around you and name:

5 Things you can see

3 Things you can hear

Things you can feel

4

2 Things you can smell

1

Thing you can taste

Wandsworth Holiday Activities

 **Family Fun Days** – Free family events take place across the borough during the summer, including activities, games, entertainment and community events in Roehampton, Tooting and Battersea.

Swimming & Water Fun

Children and families can enjoy swimming throughout the summer at Wandsworth's leisure centres, including Balham Leisure Centre, Latchmere Leisure Centre, Putney Leisure Centre and Tooting Leisure Centre. Wandsworth children under 8 can swim for free with a paying adult, and a range of free and discounted swimming opportunities are available for eligible families.

 **Tooting Bec Lido** is one of the UK's largest outdoor swimming pools and is a great place to cool off during the summer holidays. Free tickets are available for a limited number of children and young people each day during the Lido season.. Otherwise, booking is required. The Lido is open Sunday -Friday from 6am- 8PM.

Wandsworth's green spaces

 **Battersea Park** – One of London's most popular parks, offering playgrounds, gardens, wide open spaces, riverside walks and family-friendly events throughout the summer.

 **Wandsworth Common** – A fantastic green space for family walks, picnics, nature spotting and outdoor play, with plenty of open areas to explore.

 **Wimbledon Park** – Enjoy playgrounds, walking routes, picnic areas and opportunities to explore one of South West London's largest parks.

 **Tooting Common** – Discover woodland walks, open grassland and outdoor recreation spaces perfect for summer adventures with family and friends.

 **Enjoy Wandsworth's parks! Pack a picnic, visit a playground, explore nature trails, take part in outdoor events and make the most of Wandsworth's beautiful green spaces this summer.**
