

Granard Primary School and Cedar Base

"Growing together; Achieving together"

NEWSLETTER

MESSAGE FROM THE HEADTEACHER

Dear Parents and Carers,

It has been good to see the children back in school after the Easter break. They all enjoyed taking part in our **Autism Awareness activities** and **'Fun Fundraising day'** last week. If you haven't already, please do send in any sponsorship money on Monday. Thank you.

This term is a busy term for assessments, with Year 1 phonics, Year 4 multiplication checks and Year 6 SATs all taking place. Please support your children in preparing for these and make sure that they are well rested and attend school every day to give them the best possible chances in the lead up to these important tests.

There is a **parents' meeting** next week, on **Tuesday, 28th April at 8.45 a.m.** for mainstream Year 1 parents. Please do put this date in your diary, so that you can come and find out how to help your child prepare for the phonics screening.

On **Wednesday, 6th May at 8.50 a.m.**, we have a meeting for Year 6 parents for children who are attending the residential trip to Blackland Farm. Important information will be shared in this meeting, so please do come. Thank you.

Please note that **Monday, 4th May is a Bank Holiday**, so there is no school that day.

SAFEGUARDING SEGMENT

EARLY YEARS SCREEN USE

The Department for Education (DfE) has published findings from an independent report reviewing evidence on the effects of screen use by children under 5 years old. **The Early Years Screen Time Advisory Group** report draws on a review of scientific literature and discussions with *parents, carers, children and professionals*. It acknowledges that current research on the harms and benefits of screen use in young children is limited and often low quality.

 info@granard.wandsworth.sch.uk

 020 8788 3606

 [X.com](https://www.x.com)

 [facebook](https://www.facebook.com)

 [@granardprimary](https://www.instagram.com)

Key findings and recommendations include: responsive interaction between parents and children when using screens can prevent harms and promote development for young children; time matters and parents should remain cautious about screen use in young children; and what children are viewing is important in determining whether screen use brings harms or benefits. New government guidance on screen time use by under 5s has also been published to help families shape healthy screen time habits.

INSETS & HALF TERM DATES

Monday 20th July 2026 - INSET Day

Monday 25th – Friday 29th May 2026 - Summer Half Term

ROYAL BALLET AND OPERA'S YOUTH OPERA PROGRAMMES

The **Royal Ballet and Opera** has opened applications for its **Youth Opera Programmes**, inviting young singers aged 8–11 (on 1 September 2026) from London and nearby communities to apply. Applications close at **midnight on Sunday 10 May**. Both programmes are **free** and give young people a chance to grow their singing, performance ability, and self-confidence.

Young Voices (Ages 8–9)

A six-month programme focused on developing vocal skill vocal skills and musical understanding, and vocal skills, with performance opportunities in showcases at the Royal Opera House.

Youth Opera Company (Ages 9–11)

A multi-year programme offering all-round training in the performing arts. Members develop vocal technique, language, stagecraft, musical literacy and creative skills. They also have opportunities to create and perform their own new operas, and to audition for the Children's Chorus, who perform in productions on the Royal Opera House main stage.

Find out more and apply here: [RBO Youth Opera Programmes](#)

Applications close at midnight on Sunday 10 May. If you have any questions, or run into any issues completing the application form, please do get in touch at youthopera@roh.org.uk.

SPORTS AT GRANARD

Last week we took part in a basketball competition located at APA secondary school and we all enjoyed it very much. We left school in the afternoon.

This wasn't just a competition, it was teamwork. We had so much fun playing against the other school.

Even though we didn't win, it was still an experience. I encourage you all to play more sports!

Amina 6B

5F APPLE TRIP

On **Tuesday 21st April Year 5** went to the Apple Store at Battersea Power Station.

When we were there we were split into two groups. One group went outside and the other stayed inside the Apple Store. (We were in the outside group first.)

The outside group used the latest iPhones: iPhone 17 pro max, iPhone 17 and iPhone air. The Apple Store workers helped us to use the iPhones to take pictures.

Task 1: Take pictures of your surroundings, such as Battersea Power Station, any other buildings and statues.

Task 2: Take selfies of the people in your group.

Task 3: Make videos by asking your partner about themselves or create an interview.

After having a fun time playing with the iPhones we came back inside and had a break/snack. Then it was our turn on the iPads inside the Apple Store. We sat down around a big table and some other Apple employees.

They gave us an iPad and an Apple Pencil and we drew our own emojis using a program called Procreate.

Task 1: We were allowed to make our own emojis of how we felt.

Task 2: We drew a second emoji, related to Battersea Power Station. Then we had lunch and travelled back to school.

It was such as a fun trip!!

Written by: Matilda and Mira.

ART IN 5F

Art in 5F

Wednesday 15th April 2026

In today's art lesson, the children practised drawing portraits using a continuous line. Then they had to write their portrait poem, by tracing over their portraits. We have such great artists in our class!

AUTISM AWARENESS

Last week, across the school we have been celebrating **Autism Awareness week**, including all children across the school enjoying a sensory story based on the picture book '**Our Tower**'.

The story by Joseph Coelho is about three children living in a grey, high-rise tower who discover magic in their urban environment. Drawn from the author's childhood, the story follows them into a magical woods, where a tree-grown man gives them a stone that helps them, see their home as a place of wonder, connection, and vibrant beauty, providing a wonderful platform to celebrate differences we have.

Activities planned included opportunities to embrace outdoor learning and engage in integration activities with classes from across the school.

6R ROWLING

During **Autism Awareness Week**, our class had an amazing time reading the book '**Our Tower**', a book about three children living in high-rise tower blocks who embark on a magical adventure into nature!

Miss Rahmani made the story come to life by using props. We even got sprayed with water to stimulate the rain!

Later on, we teamed up with Cherry Class for a Lego tower building challenge. In my group, Mubahil and Berenice took the lead and following their creative ideas, we work together to build some incredible structures.

Amelia, 6R Rowling

Year 5

During Autism Week, we read the story 'Our Tower' by Joseph Coelho. Inspired by the story, we created our own towers, which shows our strengths and identities. This helped us to see that we are all unique and one of a kind.

BIKEABILITY

Bikeability came to Granard!

Year 3 and 4 pupils loved their time learning to ride a bike with the Bikeability team from Wandsworth Council.

Most children were really successful and able to begin riding their bikes very quickly!

Hopefully our Year 3 and 4 participants will continue onto Bikeability Level 1 and 2 in the future.

Well done!

4B DAHL

This week in 4B Dahl, we've been focusing on building athletic determination, that mindset of sticking with a challenge even when it gets tough. Whether in PE, the classroom, or group activities, pupils have been practising perseverance, teamwork, and goal-setting.

A fun highlight was our "Sponsor Jump" challenge. Students were asked to keep jumping continuously for 90 seconds. It may not sound long, but it quickly became a real test of stamina and determination! Many pushed themselves beyond what they thought possible, showing great resilience.

How many jumps in 90 seconds?

Results varied, but most students landed between 40-100 jumps, depending on their pace and consistency. A few even exceeded that by maintaining a quick rhythm throughout, impressive effort!

Beyond the numbers, the real success was in the attitude students showed: encouraging one another, staying focused, and not giving up when it got difficult.

We're proud of the determination shown this week, keep it up, 4B Dahl!

WILLOW CLASS

Willow Class have enjoyed playing in their slimy London Landmark sensory tray this week! We have been using the phrases "**I can see ...**" and "**It feels sticky!**"

ASH CLASS

The children in Ash Class are learning about trees in Science. Using finger paints they made trees and were able to label them correctly. They did bark rubbings and felt rough and smooth bark. Well done Ash Class.

1A MCKEE

The children in Year 1 discussed what was needed in order for plants to grow. We filled little pots with soil and we then planted cress seeds in our pots. We decided to keep the pots indoors until the cress starts to sprout and the weather gets warmer. We have kept the pots by the window so they get plenty of sunlight. We will be keeping an eye on the growth!

RM ROSEN

Reception's Bike/Scoot-a-thon to raise money for our whole school trip to West Wittering was a huge success.

The children showed us their amazing cycling and scooting skills - great work, Reception!

3G MURPHY

For our DT unit this term: abstract space and shapes, 3G have made a great start by learning how to join 2D shapes to make 3D structures.

A simple brief: join these shapes without glue or tape! Lots of problem solving, teamwork and trial and error and the problem was solved in a range of unique and imaginative ways!

About our Start for Life Sessions

Fantastic Babies: Six week programme to support babies' development through play activities.

Baby Massage: A wonderful opportunity for you to learn how to communicate with your baby through nurturing touch and massage in a relaxed and welcoming environment.

Fantastic Ones: A fun and nurturing group for children 12–24 months to learn and grow through play.

Fantastic Twos: A programme aimed at easing the transition from home to nursery, for children eligible for 2 year old funding but not yet attending a setting.

Getting Ready 4 Nursery: A programme aimed at easing the transition from home to nursery.

Let's get Messy: Children 0-4 years will experience a wide variety of textures and materials to imagine, investigate, explore and learn through their senses.

Music and Movement: A group for children 18 months to 4 years. Our activities will combine music with physical movement. Children will be singing, dancing, playing instruments and moving to the beat.

Bring a Book to Life: Outdoor Adventures: This session brings a story to life through outdoor adventures, arts and crafts. Children explore the book creatively while enjoying imaginative activities in an outdoor setting.

Mini Chefs: Story Time and Cooking together: A fun and engaging session for children 2 - 4 years to explore the joys of cooking different recipes.

Arts and Crafts: Children will use and develop their imaginative and creative skills through a variety of material and resources.

Information, Advice and Guidance: Support with form filling, applying for a nursery or any other matter where support is needed. Please email or call to speak to a member of staff.

Learn2Love2Read for 2 years old: A session to sing, read, chat and play together. To book call: 07859883798

Next Gen: A place where young people can go to learn, have fun and relax.

For more information please email:

pat.ingram@richmondandwandsworth.gov.uk

Education Wellbeing Service Webinar

Managing Big Feelings in Small People:

Tantrums and aggression, how to respond

Young children can experience very strong feelings and can feel overwhelmed by these.

As parents/carers it can be very hard to know how to respond to these (often very noisy and aggressive) outbursts of feelings.

This webinar aims to help Early Years parents to understand what is behind tantrums and give some ideas as to how to support your child as well as manage your own feelings around them.

SUMMER HOLIDAY WORKSHOPS
EARLY BIRD OFFER

G64

Theatre for
young people

Bugsy Malone

Monday 27th July– Friday 31st July

10am – 4pm

16–11 years old

Early Bird: £145 per child! (Standard:£165)

Grab your splurge guns and your cream pies: Fat Sam's Grand Slam is open for business! Sing, dance, and act your way through this action-packed adventure, build your confidence, and take to the stage in a show-stopping end-of-week performance.

Percy Jackson and the Lightning Thief

Thursday 27th August

10am – 4pm

16–11 years old

Early Bird: £45 per child! (Standard:£50)

Demigods, monsters and mythical mayhem awaits. Join Group 64 for a one day project exploring the world of Percy Jackson. Through drama games, character work, and ensemble storytelling, you will bring this epic tale to life, just bring your courage, your creativity, and your best battle cry.

**EARLY BIRD BOOKING OPEN UNTIL
SUNDAY 7th JUNE!**
